The best home for my companion animal would have (check as many as apply):

- Children Access to Outdoors Other Dogs Other Cats Other Animals

Please expand on the above, or make other requests you think are important for your companion animal, i.e.,

- a) An adoptive home with or without children;
- b) An adoptive home with or without other companion animals;
- c) If the owner owns more than one companion animal, an adoptive home which will adopt two companion animals together;
- d) An adoptive home where the companion animal has access, or no access, to the outdoors;

In your own words, describe the home that you would like for your companion animal:

In addition to the above, please consider writing a letter to your pet's new family, telling them the main things you want them to know about your pet.
