

# Where will your money go?

All of the money raised through the sale of these granite stones will be directed to our General Fund. This means you will help support the shelter in the following ways:

-  Treating the over 10,000 animals that come through our doors annually and caring for them as they await forever homes.
-  Investigating cases of animal cruelty in the community.
-  Maintaining a leadership role on animal welfare in Windsor and Essex County.

As part of the Humane Society's three-phase expansion project, we included a beautiful retaining wall in our 'Happy Tails Dog Park.' This wall is made up of black granite "bricks" which are laser-engraved with the message of your choice.

These highly visible stones will leave a lasting legacy and are a beautiful way to celebrate or remember a loved one or family pet.

These stones can:

Profile your business to visitors (no logos).

Remember your pets with beautiful memorial messages.

Leave a legacy for family members with memorial or celebration messages.

Celebrate birthdays or anniversaries.

Create other types of memorials.

Show your love for your furry friend(s).

The stones are 3" high by 6" wide and your message can include up to four lines of print (see details in order form to the right).

Order one for yourself or make it a unique gift for those people on your gift list that are difficult to buy for.
